

## **Higher Power Aviation Sponsors Celebration Kicking off the Texas Thunder Air Show**

**Grand Prairie, Texas, April 1, 2005** - Higher Power Aviation Inc. (HPA) is proud to sponsor a reception in honor of the Blue Angels, Tuskegee Airmen and all other performer's for the 2005 Texas Thunder Air Show. The party kicks off the air show, which is free and open to the public. HPA is pleased to sponsor this event to show its gratitude to the men and women who have faithfully served our country. The 2005 Texas Thunder Air Show is being held at NAS JRB Fort Worth, formerly the Carswell Air Force Base.

Based in the Dallas-Fort Worth (DFW) International Airport area, Higher Power Aviation (HPA) is the leading FAA part 142 approved training center providing Boeing 737 type rating training to individual pilots for employment at Southwest Airlines and other operators. HPA further provides cockpit and cabin crew training on Boeing 727, DC-9 and MD-80 series aircraft, and all models of the Boeing 737, from the Classic to the Boeing 737 New Generation Aircraft, including the C-40A aircraft for the U.S. Navy. Its Boeing 757 and 767 programs have been recently approved for training.

HPA offers innovative training and crewing solutions to individual pilots, VIP executive flight operations, domestic and foreign airlines, governmental agencies, military entities, freight operators and other aviation concerns. HPA trains more than a thousand pilots annually on jet transports. Customers include Southwest Airlines, American Airlines, Boeing, CAE, Conoco Phillips, L-3 Communications, and numerous airline and VIP operations. More pilots choose Higher Power Aviation for their FAA Boeing 737 type rating training than any other training center.
