Verification of Authenticity of Foreign License, Rating, and Medical Certification

Effective July 23, 2002, persons applying for a certificate issued on the basis of a foreign license under the provisions of 14 CFR Part 61, Section 61.75, special purpose pilot authorizations under Section 61.77, using a pilot certificate issued under Section 61.75 to apply for a commercial pilot certificate under Section 61.123 (h), applying for an airline transport pilot certificate under Section 61.123 (d) (3), and applying for a certificate issued on the basis of a foreign license under the provisions of 14 CFR Part 63, Sections 63.23 and 63.42, must have the validity and currency of the foreign license and medical certificate or endorsement verified by the Civil Aviation Authority (CAA) that issued those certificates, before making application for an FAA certificate or authorization.

Submit the required information using the form provided on the FAA website <http://forms.faa.gov/forms/faa8060-71.pdf>. Send the completed form with the preferred documents by mail to: **Airmen Certification Branch, AFS-760, PO BOX 25082, Oklahoma City, OK 73125-0082** or fax the form and documents to **(405) 954-9922**. The pre-application documents cannot be sent electronically.

If applying for a U.S. certificate/rating on the basis of a foreign license, you must apply for that certificate **at least 90 days** before arriving at HPA for your training. This initial application step is the responsibility of the applicant.

The information submitted to the Airmen Certification Branch by the applicant must include the following information:

- a. The name and date of birth of the applicant.
- b. The address where the person wishes to have the verification of the authenticity letter, issued by the FAA's Airmen Certification Branch, AFS-760, mailed.
- c. The certificate number and ratings on the foreign license.
- d. The country of issuance of the person's foreign license.
- e. The location of the FAA Flight Standards District Office where the person intends to make application for his or her U.S. certificate. The location for your application will be: **FAA DFW FSDO-SW07, Centreport Business Park, 14800 Trinity Blvd., Suite 200, Fort Worth, TX 76155**. Add this information to block 11 of the FAA form to ensure the FSDO over our school receives the information.
- f. A statement that his or her foreign license is not under an order or suspension or revocation.

NOTE: The Airmen Certification Branch would prefer to have a copy of the foreign license and medical certificate or endorsement included with all requests for verification of authenticity of the foreign license.

When Verification is received from the CAA, you will receive written notification that a copy has been forwarded to the Flight Standards District Office (FSDO) you designated in your request. The verification is valid for 6 calendar months.
